An event co-organised by:

Reasons to exhibit at Eurocoat

Make the most of **5,000+** visits of international buyers and prescribers for 3 days of business meetings.

1

Secure your acquired market shares in France, while generating new business

4

Present your product ranges, equipments and your innovations

2

Increase your presence on international coating markets, especially in Southern European and Northern African markets

5

Generate immediate feedback on your product range

3

Save time, meet your potential buyers and customers all in the same place. Take advantage to source agents or new products to distribute

6

Be part of the first European event gathering the Coatings Community in 4 years

To exhibit, contact:

Cyril LADET • +33 (0)1 77 92 96 84 • cladet@infopro-digital.com
